

Alum Rock Counseling Center

"Creating responsible adults from East San José's highest risk youth."

ARCC Annual Luncheon Sponsors

We're getting a head start of sponsorships for the 2013 ARCC event scheduled for Thursday, February 28, 2013.

- Hear success stories directly from ARCC clients.
- Learn of key partnerships ARCC fosters to evolve and enhance programs to meet changing needs.
- Be part of introducing ARCC to friends, family and associates who have not yet become familiar with the breadth of services offered.
- Make a measurable difference in the lives of youth and families in our communities who need it most.

If you would like information on the benefits and levels of sponsoring this fourth annual luncheon please email info@alumrockcc.org or call Development Director Stephanie Demos at 408 240 0070.
