For our Ruby Anniversary, we honored ARCC Gems such as Anna Cruz above, foreground bidding on an auction item. The audience listened attentively and applauded enthusiastically as our featured speakers—three young ladies from Ocala Middle School spoke of the power of the program and their mentoring experience.

“Before I started this program, I was always getting bullied, but I would never say anything about it, but now 8th grade has gotten easier for me. I have self-confidence. I’m sociable and I’m not afraid of being bullied because I have become stronger. I’ve learned to face my fears and speak up,”
Lucie, 13.

“One of the things I’ve learned from this Program is that life isn’t easy and I have decisions to make. It may be good and may be bad, but learning everything that I can from ARCC can help me make good decisions—even when it’s hard.” Crystal, 13.
